 - Visible Identification as STUDENT
 - Closed-toe footwear appropriate for an EMS setting.
 - Any additional PPE as advised by crew or company policy.
- **Conduct Expectations:**
 - I must **arrive on time** for my assigned shift. Tardiness may result in cancellation of ride along shift with no guarantee of reschedule.
 - I agree that I will free from any signs or symptoms of communicable disease or illness for 48hrs prior to my clinical ride along.
 - I understand that **EMS crews may be held over** past scheduled shift end times by **up to 2 hours** depending on call volume and I will not be guaranteed an exact end time.
 - I will remain respectful, professional, and follow all instructions from EMS personnel.
 - I will not engage in patient care unless explicitly directed and supervised by the AIC
 - I will not lift the patient or handle equipment they have or are on.
 - I agree that I will remain with my preceptor and never be alone in the presence of patients, their family or hospital staff.
 - I will maintain **strict confidentiality** of PHI per HIPAA and understand the ramifications, up to and possibly including criminal prosecution, for violation of any PHI.
 - I understand that I am not permitted to have my cell phone visible during patient care or in the presence of patients.

SECTION 6: WAIVER AND RELEASE OF LIABILITY

I, Gabriella Brown (print name), acknowledge that I am voluntarily participating in a ride-along with LifeCare as part of my EMT training program. I understand the risks involved in EMS operations and agree to hold harmless Priority Ambulance, its staff, and affiliates.
